

Corporate Governance Statement

CORPORATE GOVERNANCE. Bilia AB (publ) is a Swedish public limited liability company listed on Nasdaq Stockholm, Large Cap. The company applies the Swedish Corporate Governance Code and hereby submits its Corporate Governance Report for the year 2022.

► The Group's corporate governance is, in addition to what is set out in Swedish law, based on the Swedish Corporate Governance Code (the Code), Nasdaq Stockholm AB's Rules for Issuers and the Swedish Securities Council's rulings on what constitutes good practice on the Swedish stock market. This report summarises how the corporate governance is structured and how it has been managed and developed within the Group during the 2022 financial year. Bilia complies with the rules of the Code and there were no deviations from the Code's rules in 2022.

Corporate governance at Bilia

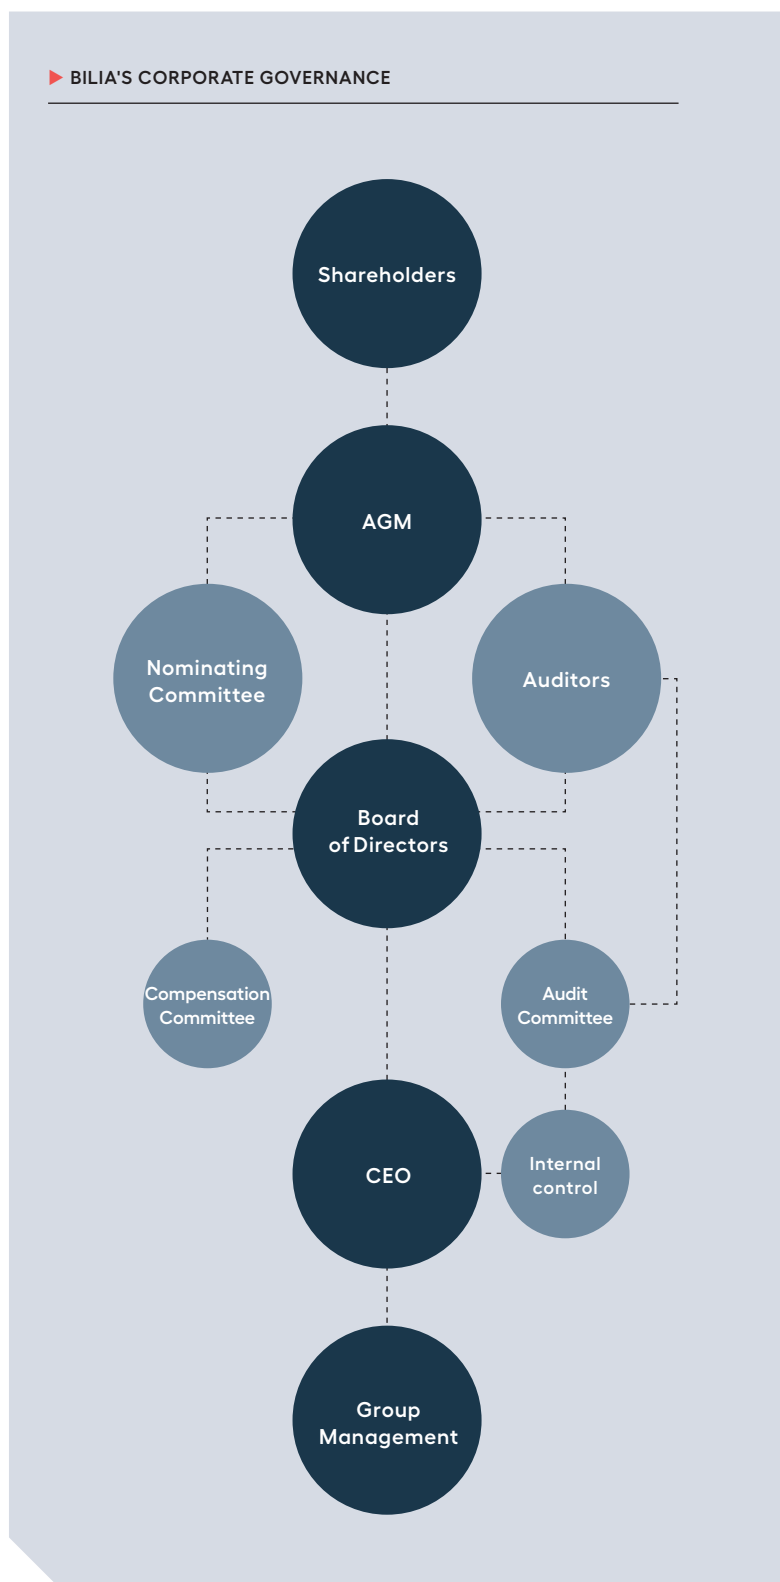

Good corporate governance is about ensuring on behalf of the shareholders that Bilia is managed in a sustainable and responsible way, and as efficiently as possible. Bilia strives for a clear division of responsibilities, for transparency towards the owners and the market as well as for efficient governance and control of the Group's operations to ensure that the Group fulfils its commitments towards shareholders, customers, employees, suppliers, credit providers and society. It also endeavours to ensure that the operations follow set goals, applicable legislation and other regulatory frameworks, both external and internal. External regulatory frameworks include the Swedish Companies Act, the Swedish Annual Accounts Act and other relevant laws, Nasdaq Stockholm's Rules for Issuers and the Code. Internal regulatory frameworks include the Articles of Association adopted at the Annual General Meeting, the rules of procedure for the Board of Directors and the instructions for the Managing Director, including instructions on financial reporting, and instructions for the Board Committees, policies and guidelines, and Bilia's Code of Conduct.

Shareholders

At the end of 2022 Bilia had 38,313 shareholders. Bilia's largest shareholder is Mats Qviberg and family, whose holding amounted to 13.7 per cent on 31 December 2022. The next-largest shareholders at year-end were Investment AB Öresund, State Street Bank and Trust Co, W9 and Anna Engbretsen and family whose holdings amounted to 10.2, 8.8 and 5.4 per cent respectively. The proportion of institutional ownership amounted to 8.9 per cent (7.6) and the proportion of foreign ownership was 28.3 per cent (30.9).

General meeting of shareholders

Shareholders' influence is exercised at the Annual General Meeting (AGM) and, where applicable, at Extraordinary General Meetings, which are Bilia's highest decision-making bodies. All shareholders who are registered in the share register at the record date before the meeting and who have registered their participation in the meeting before the deadline set out in the notice are entitled to participate in the meeting with full voting rights. Shareholders who are unable to attend in

person may be represented through a proxy. Any shareholder who would like an issue to be dealt with at a general meeting of shareholders must submit a written proposal to the Board in sufficient time so that the proposal can be included in the notice to attend the meeting.

The 2022 AGM

The 2022 AGM was held on 7 April 2022. To reduce the risk of spreading COVID-19, Bilia decided to conduct the meeting with no physical attendance of shareholders, proxies or outside parties, so that voting rights could only be exercised by voting in advance, known as postal voting. A total of 202 shareholders were represented at the meeting, who jointly represented 53.1 per cent of the number of shares and votes in the company.

The Chairman of the Board, Mats Qviberg, was elected chairman of the AGM. The minutes from the AGM can be found on Bilia's website, bilia.com. The AGM passed resolutions on the following, among other matters:

- adoption of the Parent Company and consolidated income statements and balance sheets for the 2021 financial year in the Annual Report,
- dividend in accordance with the Board proposal of SEK 8 per share for the 2021 financial year, allocated across four disbursements,
- granting discharge from liability for the Board's members and the Managing Director for the 2021 financial year,
- re-election of all Board members except Eva Eriksson and Mats Holgersson who declined re-election and new election of Caroline af Ugglas,
- re-election of Mats Qviberg and Jan Pettersson as Chairman of the Board and Deputy Chairman respectively,
- determining remuneration for the Board and auditors,
- re-election of PricewaterhouseCoopers AB as the company's auditor for the period up until the end of the 2023 AGM,
- approval of the Board's remuneration report,
- reduction of the share capital through withdrawal of own shares and increase of the share capital through bonus issue,
- authorisation for the Board to decide on acquisitions or transfers of the company's own shares on one or more occasions during the period up until the next AGM, but the shares may not correspond to more than 10 per cent of the total number of shares in the company.

Nominating Committee

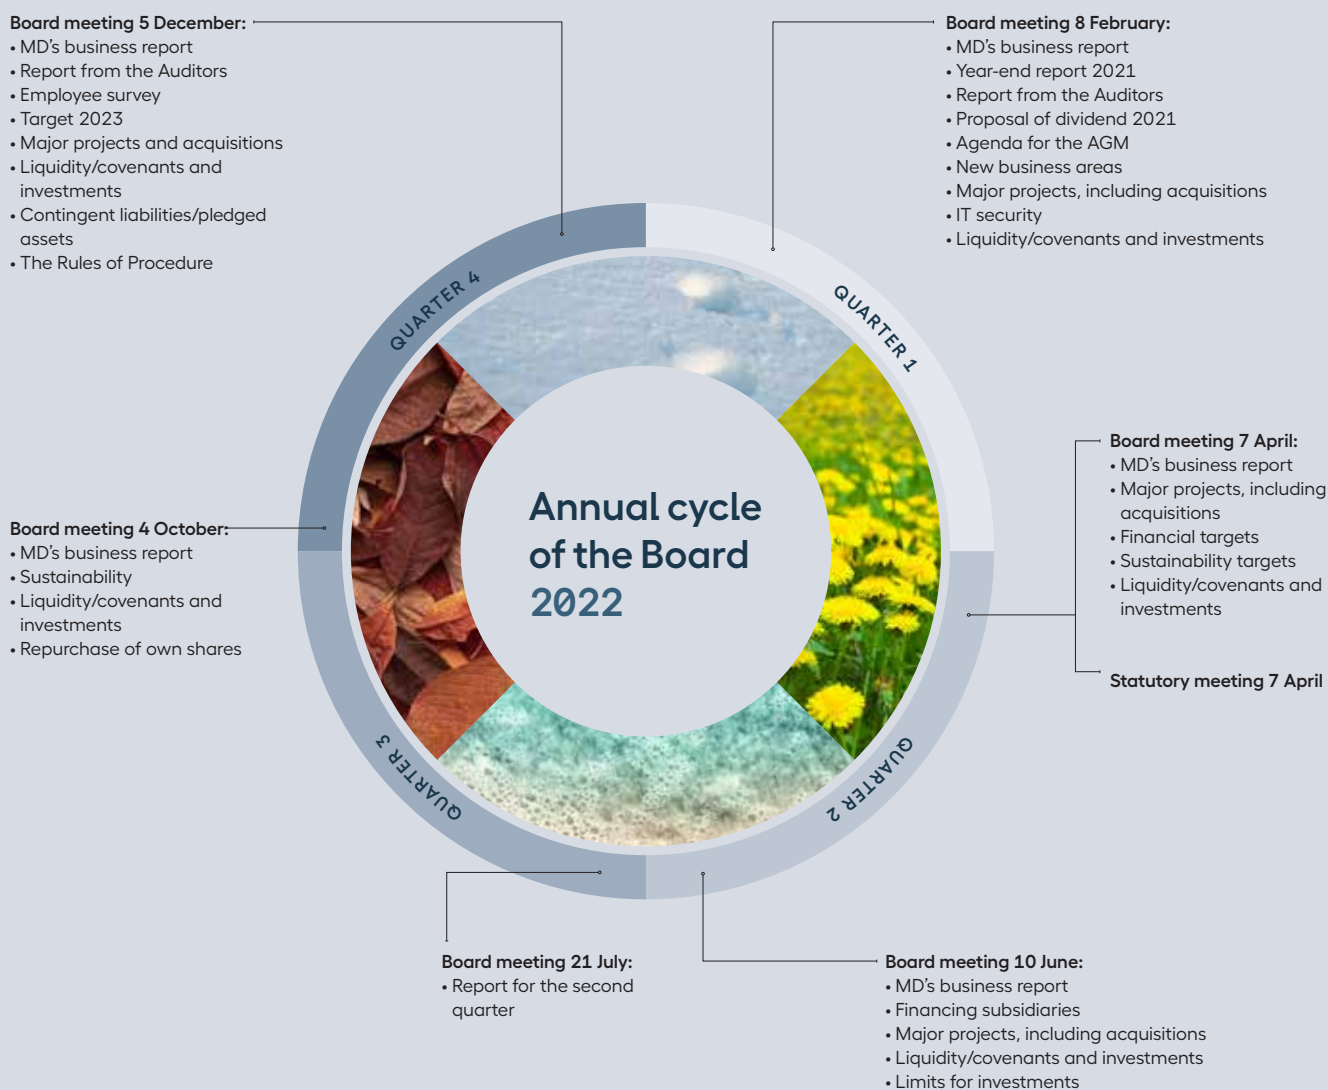

The Nominating Committee is tasked with submitting proposals ahead of the AGM on resolutions regarding the election of the Chairman at the AGM, the election of the Chairman and other members of the Board, remuneration for committee work, the election of auditors (where applicable), fees for auditors and changes in the procedure for appointing the Nominating Committee. In accordance with a resolution at Bilia's 2016 AGM, the Nominating Committee shall comprise Bilia's Chairman of the Board along with representatives of the two to four largest shareholders at the turn of the month before the Committee is appointed. Prior to the 2022 AGM, Bilia's Nominating Committee comprised Tim Floderus (Chairman of the Nominating Committee), representative of Investment AB Öresund, Mats Qviberg, representative of the Qviberg family and in his capacity as Chairman of the Board of Bilia AB, Sofia Olsson, representative of Anna Engebretsen with family, Katarina Hammar, representative of Nordea Investment Funds, and Emilie Westholm, representative of Folksam.

Every year the Nominating Committee evaluates the Board and its work. The Committee then prepares a proposal for a new Board and proposals for remuneration for the Board, proposals that are submitted in connection with the notice to attend the upcoming AGM. The Nominating Committee's motivating statement ahead of the 2022 AGM states that it applied rule 4.1 of the Code about diversity policy when drawing up its proposal for the Board. The aim of the policy is to ensure that the Board has a composition appropriate to the company's operations, phase of development and general circumstances that is characterised by diversity and breadth with regard to expertise, experience and background, in addition to which an even gender distribution should be striven for. The 2022 AGM decided to appoint Board members in accordance with the Nominating Committee's proposals, which means that eight members were elected, comprising three women and five men.

Bilia's Nominating Committee, prior to the 2023 AGM, comprises Tim Floderus (Chairman of the Nominating Committee), representative of Investment AB Öresund, Mats Qviberg, in his capacity as Chairman of the Board of Bilia AB, Sofia Steinwall, representative of Anna Engebretsen with family, and Emilie Westholm, representative of Folksam.

Auditors

Bilia's auditors are elected by the AGM. The auditor audits the annual accounts, accounting records and consolidated accounts as well as the Board of Director and Managing Director's administration in accordance with generally accepted auditing standards. After each financial year, the auditor submits an auditor's report for the Parent Company and an auditor's report for the Group to the AGM. At the 2022 AGM, the registered public audit firm PricewaterhouseCoopers AB was re-elected as the company's auditor, with Authorised Public Accountant Fredrik Göransson as the auditor in charge. The current mandate period runs up to the end of the 2023 AGM. The auditors report the findings of their audit to the Audit Committee and the Board. In addition to regular auditing assignment, PricewaterhouseCoopers AB assists with advisory and investigatory assignments. Such assignments are submitted in accordance with the rules decided by the Audit Committee for approving the nature and scope of the services as well as remuneration. The assignments conducted are not deemed to cause a conflict of interest. See Note 9 "Fees and cost reimbursement to auditors" for information on remuneration for auditors.

Board of Directors

The Board of Directors' main duty is to be responsible for the company's organisation and the management of the company's business. The Board has to consider the interests of all shareholders in carrying out its duties. The Board is also responsible for ensuring that this Corporate Governance Report is prepared. The Articles of Association stipulate that the Board shall comprise at least seven and at most ten members. The Board members are elected annually at the AGM for the period up until the end of the next AGM. Employees are entitled to appoint two representatives and two deputies to the Board. In 2022, Bilia's Board comprised eight members elected by the AGM. The Managing Director and the CFO participate in the Board meetings, the latter also as secretary. Furthermore, other senior officers take part as required.

The Board of Directors' work is mainly governed by the Swedish Companies' Act, the Code and the Board's rules of procedure. The members of the committees are established annually at the Statutory meeting and The Rules of Procedure are established annually at the Board meeting in December. The current rules of procedure state that the Board should have at least five ordinary meetings between each AGM, including the Statutory meeting. The rules of procedure also set out the division of work and responsibilities

between the Board of Directors, Chairman of the Board, the Board Committees and the Managing Director.

Mats Qviberg was re-elected Chairman of the Board at the 2022 AGM. The Chairman of the Board is responsible for managing and assigning the Board's work and for ensuring that this is done in an efficient, well-organised way. This entails, for example, ensuring that the Board fulfils its obligations, monitoring the operation's development and making sure that the Board always has the information it requires so that it can carry out its work while maintaining quality standards in accordance with the applicable rules and regulations. The Chairman of the Board does not take part in the operational management of the company.

The Code states that a majority of the members of the Board elected at the AGM must be independent of the company and its management, and at least two of these members must also be independent of the company's major shareholders. The Nominating Committee has judged that the Board composition of Bilia meets the requirements on independence set out in the Code. Individual Board members' share holdings, their independence in relation to the company, the executive management and the company's major shareholders are shown in the table on page 46. Other assignments in other companies are shown in the presentation of Board members on pages 50–51.

The work of the Board in 2022

The Board of Directors held its Board meeting following election on 7 April 2022 and a total of seven Board meetings, including the statutory meeting, were held during the year. The Board dealt with standing items at its regular meetings that follow from the Board's rules of procedure, such as business situation, budget, annual accounts and interim reports. In addition, the Board dealt with overarching issues relating to corporate acquisitions and other investments, disposals, long-term strategies, financial issues, quality issues, compliance, internal control and risk management, organisation and structure. During the year, the Board devoted significant time to discussing trends and events in the industry, such as new players and car brands, changing sales channels and business models, new technology and electrification and its impact on Bilia's operations today and in the future. The work of the Board was conducted in accordance with the illustration on page 47. In addition to the ordinary meetings the Board made five decisions per capsulam.

Board subcommittees

Compensation Committee

In 2022, Bilia's Compensation Committee comprised the Board members Nicklas Paulson (Chairman), Anna Engebretsen and Gunnar Blomkvist. The Compensation Committee's members are independent in relation to the company and the executive management.

The Committee held five minuted meetings in 2022 and also had ongoing informal contact. The members' attendance at committee meetings is reported in the table on page 46. The Compensation Committee, which follows written instructions, is charged with drafting matters concerning remuneration principles as well as remuneration and other terms of employment for the Managing Director and other members of the Group Management. The Committee also prepares the Board's proposed guidelines on remuneration for senior officers, which the Board presents for a resolution at the general meeting of shareholders at least every four years. In addition, the Committee shall monitor and evaluate ongoing programmes and programmes completed during the year regarding variable remuneration for the Group Management and the application of the guidelines on remuneration for senior officers decided on at the AGM.

Audit Committee

In 2022, Bilia's Audit Committee comprised the Board members Jon Risfelt (Chairman), Caroline af Ugglas and Gunnar Blomkvist. The Committee held five minuted meetings and also had informal contact between the meetings as necessary in 2022. The members' attendance at committee meetings is reported in the table on page 46. The company's auditors took part in all of the Audit Committee's meetings. The Committee and the auditors discussed and established the scope for the audit. The Audit Committee is a drafting body in contacts between the Board and the auditors, and continuously submits reports to the Board regarding its work. The Audit Committee follows written instructions and shall through its operations meet the requirements set out in the Swedish Companies Act and the EU's Audit Regulation. The Committee's duties include:

- monitoring the company's financial reporting and the effectiveness of the company's internal control and risk management, and ensuring that the Group's nine-month report and annual accounts are reviewed by the Group's auditors,
- staying informed about the audit of the annual accounts and consolidated accounts, and examining and monitoring the auditor's impartiality and independence,
- assisting with the preparation of proposals to the AGM on decisions on the election of auditors and fees regarding the audit.

The following matters were also discussed in 2022, among others: risk analysis for the Group's operations, insurance issues, IT security, impairment testing of intangible assets, acquisition of new operations, guaranteed residual values, buy-back of own shares, financing, internal control issues and observations from the external auditor's audit of Bilia.

Property Committee

Bilia's property committee has been disbanded and the committee's issues now form part of the Audit Committee.

Evaluating the work of the Board

The Board's work is evaluated annually using a model that covers the following main areas:

- Board of Directors (roles, planning, functions)
- Board meetings
- Board material, information and reports
- Members of the Board
- Chairman of the Board
- Managing Director

The evaluation is performed by having the members carry out an anonymous assessment of the work of the Board by rating a number of areas/aspects, after which the results are compiled. This year's evaluation painted a positive overall picture of the work of the Board. The Board also evaluates the work of the Committees each year and other members remain satisfied with how the Committees manage their respective areas of responsibility. The result of the evaluation has been presented to and discussed in the Board and reported to the Nominating Committee by the Chairman of the Board. The evaluation forms the basis for the Nominating Committee's various proposals regarding the Board.

Group Management

Per Avander is the Managing Director and CEO of Bilia and he leads Bilia's day-to-day operations. The Managing Director is responsible for implementing and ensuring implementation of the strategies, business plans and operational goals decided by the Board of Directors. The Managing Director is also responsible for

ensuring that the Board of Directors is given information and the necessary data to make decisions, for presenting reports at the Board meetings and for continuously informing the Board of Directors and Chairman of the Group and company's financial position and development.

The Managing Director is assisted by the Group Management, which comprises managers of business areas and functions. At the end of 2022 the Group Management comprised, in addition to the MD and CEO: Stefan Nordström (Deputy MD), Elin Delvert (HR and Sustainability), Kristina Franzén (CFO), Frode Hebnæs (MD, Bilia Norge AS), Carl-Fredrik Ewetz (Investor Relations and M&A) Mathias Nilsson (MD, Bilia Personbilar AB) and Anders Rydheimer (Business Development and Communication). The following changes have taken place in the Group Management: Magnus Karlsson (former CIO and CEO Motorit AB), left the Group Management on 1 December 2022 and was replaced by Anna Höglund (new CIO and CEO Motorit AB) on 27 January 2023. The Group Management held seven meetings in 2022. The meetings mainly focused on the Group's strategic and operational development as well as on results follow-up and quality issues.

Central functions

There are central functions within Bilia for coordinating finance, HR, IT, legal, marketing and communication. These functions are responsible for developing applicable Group-wide strategies, priorities and action plans in their respective areas of responsibility and for driving, supporting and controlling development in the organisation on the basis of their respective expertise.

The Board's report on internal control

It is limited to internal control and risk management relating to financial reporting and encompasses the entire Group. The

Board bears ultimate responsibility for ensuring that Bilia's internal control works satisfactorily and that adequate financial reports are presented. Under the Swedish Companies Act, the Board is responsible for Bilia's organisation and management. The Board is responsible for ensuring that Bilia's accounting, fund management and financial situation in general includes satisfactory controls. This responsibility cannot be delegated, rather it always rests ultimately with the Board.

Bilia's control environment is based on communicating clear guidelines to all subsidiaries to ensure that the same rules and policies are applied in the Group's companies and business areas and that the subsidiaries have the necessary tools to report back to Bilia AB in an accurate and uniform manner. The management performs a risk analysis which, following discussions in the Audit Committee and Board, determines, along with other considerations, the focus of the internal control.

Internal control work

As a complement to managerial responsibility and other control procedures, Bilia has a function for risk management that includes internal control and internal audit work. The result of the audit is reported directly to Bilia's CFO and the Audit Committee. The audit plan is approved by the Audit Committee. The plan's effectiveness is assessed continuously throughout the year and any changes are approved by the Audit Committee.

The work to secure internal control is an ongoing process that is subject to constant review, follow-up and improvement.

Bilia's Code of Conduct applies to all employees of the Group and the Board members. The Code of Conduct can be found at bilias.com.
